

9 Commitments to Your WorldVentures Business

Definition of Commitment: Doing the thing you said you would do, long after the mood you said it in is over.

The 9 Commitments are easy to do... but they are also easy not to do. If you knew that there was a system that you could follow 8-10 hours a week to earn a Six-Figure Income, could you get committed to the system for one year?

Commitment #1 – The Game Plan Session Make sure you sit down with every new Representative in their first 24-48 hours and conduct a game plan session using the Getting Started Right Document!

Commitment #2 – 2 Exposures Every Day Commit to Doing 2 exposures every day using the Just Push Play DVD, Sizzle Calls, Website, etc. Do 2 every day at least 5 days a week.

Commitment #3 – Attend Your Weekly Live Business Presentation The weekly Live Business Presentation is your opportunity to bring guests to see a first-class presentation. You need to commit to being at every Business Presentation. If you have guests, you need the Live Presentation; if you don't have guests, your team and Live Business Presentation need you

Commitment #4 – Plug Into Your Weekly Fast-Start Training Classes All New Representatives should attend the NEXT Fast Start Training Class in their area! Fast Start Training is the key to helping your new Representatives get started fast and earn \$570! Existing Reps should take their Reps to the Fast Start Training Class, not send them. This is a great time to build a relationship with your new Reps!

Commitment #5 – Attend Your Monthly Super Saturdays And Regional Events The Super Saturdays & RTEs gives you and your team the Big Picture! You will get training from WorldVentures' Top Money Earners. Make it a goal from month to month to have more people on your team at the next big event.

Commitment #6 – Attend the National Events There are four National Events each year! Everyone who comes back is changed forever. You get trained by the best of the best and build a vision and belief that will take you to International Marketing Director and beyond!

Commitment #7 – Commit to Personal Development This is the most important of the commitments! You can only earn what you become! Commit to reading just 10 pages of a good book every day and 15 minutes of a powerful Audio program. That would be over 3,000 pages a year!

Commitment #8 – Have a Workout Partner. Get someone to be your workout partner and be accountable to each other. Help each other stay committed to the 9 Commitments.

Commitment #9 – Be Here a Year From Now (Doing 1-8) Get committed to these Commitments for one year. Challenge yourself to be committed to the proper activity for 52 weeks and watch what happens!

BONUS #10 – GO ON A DREAMTRIP!!! Use and enjoy the product. Be a product of the product. You'll talk about it and draw people to you when you're so happy and excited about vacationing!
