Give first task quick start: Watch - 3 video tutorials support site

Call / meeting within 24 hours (up to 24 hours of joining)

The second part of mentoring comes 24 hours after registration. This part is the most critical, because now we have to create a work plan to start immediately. The next page has a list of things they have to go through during the meeting / conversation. Do not make this call/meeting immediately after registration! But only after a new partner has watched the first 3 video tutorials

Call / Meeting of 24 (up to 24 hours of joining)
(After watching the tutorials above)

Training guidelines:

Topics of conversation:

1. Build why? 5 minutes

Why did they register & what do they want to get out of creating success in the business?

2. Set a track of personal goals: 5 minutes

Fast track: fast start bonus program get 6 in 28 days.

Middle path: setting a target date to get 4 and determining the work program under their available time.

Attracting Customers Only: Sharing naturally without a business plan. (Especially suitable for those who want to travel)

* Schedule activities for the coming week + inform of presentations/events in the area/online that are coming up

3. Briefly show the following sites: 5 minutes each

Back Office Site: www.worldventures.biz ensure Login details are correct. Show where important documents are and where to setup commissions payment.

A dream vacation: www.Dreamtrips.com ensure Login works and show a dream vacation. Get the to download the DreamTrips APP and that it is working.

Then go to support our team website: www.teamsystemonline.com - explain the difference between the official company website to find support

Make sure they have Whatsapp and add them to leaders team group

4. The recipe for success – Consistency over 3-5 years: 5 minutes
Learn from the best, determination and perseverance.

5. Summary workflow now: 5 minutes

Making process Exposure: you invite, I present, I answer questions, I impress the visitor and I close. You sit, listen, and of course learn the process (and most importantly - do not speak).

6. Practice scenarios inviting: 10 minutes

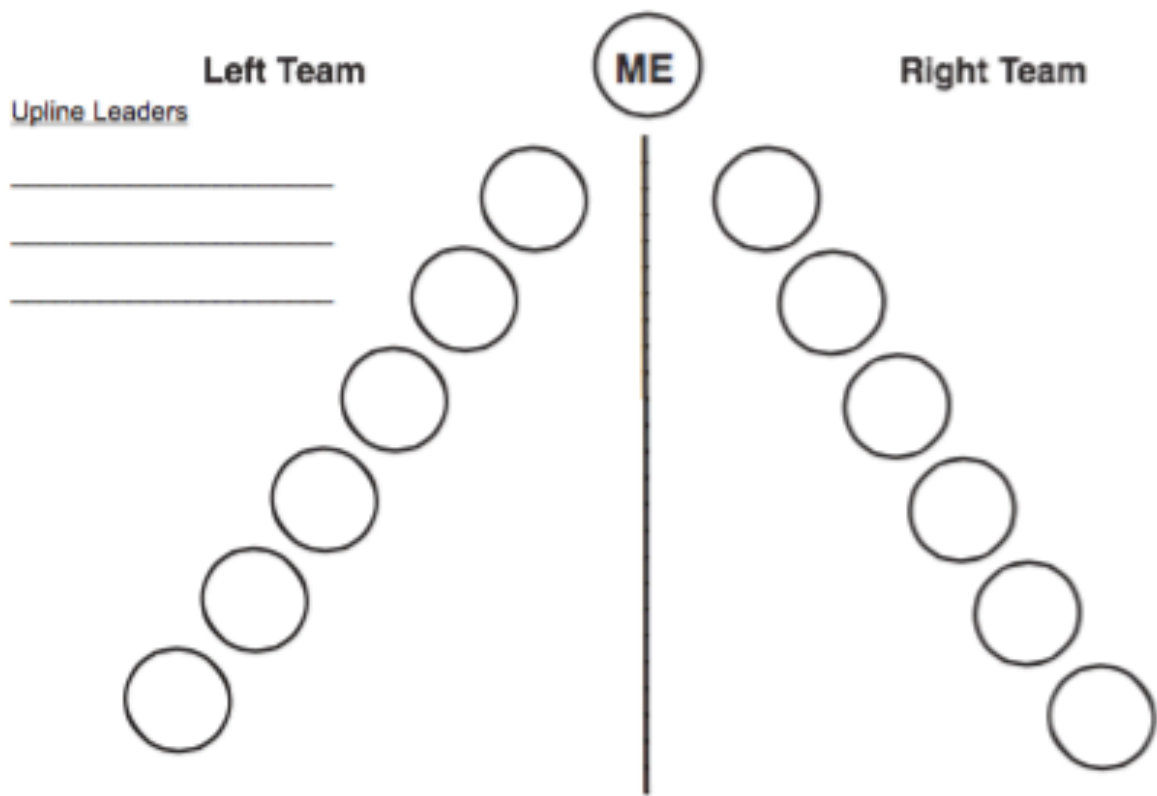

Prepare a list of 10 names

Practice scenarios Reservation Booking Deals presentation scheduled.

After we had studied, perform at least 2-3 initial invites together, to give the new partner feedback!

"We're walking with someone walking, and running with the runner.

But never, never sit with the person sitting "-
