There are NO GUARANTEES regarding income. The success or failure of each Independent Representative in WorldVentures, like any other business, depends on the Independent Representative's own skill, dedication, personal effort, and leadership qualities.

The data on this Focus Board is not a representation of the results you should expect as there is not yet statistical data to support a representation that following any given course of action will render specific results. Rather, the purpose of the Focus Board is: (a) to help you develop a plan for your business and help you track your specific results based on your efforts; (b) to make the point that success in WorldVentures requires significant work and commitment; (c) that only a small percentage of Reps will advance in rank; and (d) to highlight the necessity that Reps must spend the time necessary to understand the program, the products, and learn and implement successful sales techniques if you are to succeed. Actual financial results of WorldVentures Independent Representatives are set forth under the Income Disclosure Statement link at www.worldventures.biz.
